### **CONTRACT 2024-2025**

BETWEEN: **THE LYCEE FRANÇAIS DE JERUSALEM**  
**66 HANEVIIM STREET, P.O 1731**  
**95141 JERUSALEM**

Hereafter called “the School”

AND:

Names of the guardians in charge of the pupil(s), hereafter called “the Financially Responsible Person”

ON THE FOLLOWING TERMS:

#### **1. Responsibility of the School**

The School is responsible to provide the education for the pupils from primary grades through high school, according to the rules of the French Ministry of Education.

#### **2. Teaching Language**

The language used at the School for teaching is French, except in the language classes (inside our bilingual program). However, the study program remains the program of the French Ministry of education.

#### **3. Personalized Language classes**

Personalized language lessons are proposed to the pupils. Non-French-speakers can pass the *DELFF*<sup>1</sup> exam according to their level, in order to validate their oral and written ability in French. Language classes are split in level groups to make it fairly possible for students to master the French language.

#### **4. Multilingual curriculum in kindergarten, preschool and primary school**

The choice of a bilingual curriculum helps the child to master his mother tongue (French, English or Arabic) while learning a new language. Enrollment in such a program is submitted to the school headmaster’s approval after meeting with the pupil and his parents. A second foreign language is proposed from the 1<sup>st</sup> Grade.

#### **5. The Pedagogical and ethical principles of the Jerusalem French School**

The French School takes into consideration the cultural diversity of its’ enrolled pupils. As a secular educational institution, it promotes the standards of equality, tolerance and mutual respect. The teaching staff is continuously involved in the success of all the pupils equally.
